Go Gold

Childhood Cancer Awareness Month

*Please join us for a very special night of dance to honor those special kids affected by cancer.
Let's spread awareness by wearing "GOLD" and show our support for the children.
Any donations would be greatly appreciated.
This small gesture can bring a smile and some happiness to those that need it the most.*

This year we are supporting the San Diego Chapter of the
Leukemia and Lymphoma Society

"LLS Children's initiative cures and care for children"

"Our bold vision is for young patients to not only survive their cancers but thrive in their lives after treatment. That's why we're taking on Children's cancer from every direction."
